Describing block patterns

Date	Time spent	Comments

Summary of goals

Tick the box when these goals for describing block patterns are achieved

Goal 1 Age>8yrs	Exactly describe to another person how to make a basic pattern (square not tilted, blocks touching along entire sides) of 3 blocks with a minimum of instructions, while being able to check the other person's responses to your instructions.	
Goal 2 Age>8yrs	Follow instructions from another person to complete a basic pattern of blocks	
Goal 3 Age>8yrs	Exactly describe to another person how to make a basic pattern (square not tilted, blocks touching along entire sides) of 3 blocks with a minimum of instructions, without checking until instructions are complete.	
Goal 4 Age>8yrs	Correctly construct a basic pattern of 3 blocks, based on questions to another person, which can only be answered as 'yes' or 'no'.	
Goal 5 Age>10yrs	Exactly describe to another person how to make a complicated pattern (sides staggered, or blocks one on top of another, or some blocks vertical..etc) of 3 blocks with a minimum of instructions, while being able to check the other person's responses to your instructions.	

Goal 6 Age>10yrs	Follow instructions from another person to complete a complicated pattern of blocks	
Goal 7 Age>10yrs	Exactly describe to another person how to make a complicated pattern of 3 blocks with a minimum of instructions, without checking until instructions are complete.	
Goal 8 Age>10yrs	Correctly construct a complicated pattern of 3 blocks, based on questions to another person, which can only be answered as 'yes' or 'no'.
