

Visually Coded Movement

When doing this activity you start to read. Pictures, without words, tell you to move in different ways. You will have to move in three different ways - clap your hands, jump in the air, or poke your tongue out. Pictures will show you what to do.

Step 1. Pictures

Click on '**Run Activity**' from the menu at the top of this screen. Click on '**Start**' in the bottom left corner of the screen. A picture will appear in the middle of the screen.

If you see hands clapping - clap your hands. If you see legs jumping - jump off the floor with both feet in the air. If you see a tongue sticking out - poke out your tongue. Then click on '**Start**' again to show another three picture and move accordingly.

When you can show your helper the clap, jump or tongue poke correctly according to the picture on the screen click on '**number**' then '**2 pictures**'. Click on '**start**' to show the 2 pictures then jump, clap or poke out your tongue in the same order as the pictures on the screen. When you can do this easily try 3 pictures - click on '**number**' again then '**3 pictures**'.

Step 2. Three pictures to a beat

Click on '**Beat**' at the top right corner. A beat will start. Now click on '**Start**' at the bottom of the screen. Three pictures will again appear on the screen. Now show the clap, jump, or tongue poke in time to the beat in the same order as they appear on the screen.

When you can show your helper the clap, jump or tongue poke in time to the beat, correctly, according to the pictures on the screen and in the same order as the pictures on the screen, begin step 3.

Step 3. Flashing pictures

Click on '**Activity**' then click on '**flashing pictures**'. Click on '**number**' then '**1 picture**'. Now click on '**Start**'. Now one picture will flash on the screen. If you see hands clapping - clap your hands. If you see legs jumping - jump off the

Visual Thinking - Introduction

floor with both feet in the air. If you see a tongue sticking out - poke out your tongue. Click on '**check**' to find out if you were correct.

When you can show your helper the clap, jump or tongue poke correctly, 4 times out of 5, click on '**Number**' at the top of the screen and then click on '**2 pictures**'. Now 2 pictures will appear on the screen next to each other, at the same time. Show your helper what you saw on the screen. When you get these correct 4 times out of 5, click on '**Number**' again and click on '**3 pictures**'. Now 3 pictures in a row will appear at the same time on the screen. Show your helper what you saw.

Your goal is to correctly show the clap, tongue poke or jump when 3 pictures appear on the screen at least 4 times out of 5.
